Frequently Asked Questions

STUDY FOR FE

What are the days and timings of live training?

Saturdays and Sundays – 2:00 pm – 4:00 pm EST.

How is live training different from On-demand course?

On-demand course is self-paced whereas live training sessions are conducted in real-time over a 12-week period. Entire exam specification will be covered in a streamlined and comprehensive manner.

What happens if I miss a live class?

Full recording of each session is uploaded within 24-48 hours.

Are the homework problems same as On-demand course and Study Guide?

No – these are 250 - 300 brand new challenging problems that will be solved live during class.

How long will I have access to the recordings?

You will have 8-month access to on-demand course and live training content.

Can I ask questions during the class?

Of course – that's one of the biggest advantages of live program. You can ask questions via chat or audio.

Do you offer any guarantees?

Yes – 'Free Retake' in case you fail the exam after completing on-demand content > 90% and attending > 80% live classes.
